**PRINCESS "PAT" TO BE FIRST
VICERINE UNDER HOME RULE**

Princess Patricia

London, England.—Because her mother, Duchess of Connaught, is an invalid, Princess Patricia, loveliest and most popular of English princesses, will act as the vicerine of Ireland when the Duke of Con-

naught becomes viceroy of Ireland under the home rule.

When the duke was governor general of Canada, Princess "Pat" frequently acted as official hostess at parliament house, so she has had ample training for the important position she may be soon called upon to fill.

**FEDERAL LEAGUE WINS VERY
IMPORTANT CASE**

Buffalo, N. Y., July 21.—Hal Chase, stellar first baseman, formerly of the Chicago White Sox, is free to play baseball with the Federal League.

Justice Herbert P. Bissell in Supreme Court today granted the motion to vacate the temporary injunction obtained by organized baseball to stop Chase from playing with the Buffalo Federals.

Lack of mutual obligation in Chase's contract with the Chicago team was the basis for the court's decision quashing the injunction. The larger question for alleged violation of the Sherman anti-trust law was denied by Justice Bissell, although the court held organized baseball to be a monopoly of the baseball business in contravention of the common law.

Federal League owners and a number of players, including Chase, were in court. They expressed great satisfaction with the ruling.

Attorney John W. Ryan, representing the Chicago White Sox, stated later that an appeal in the case had as yet not been considered.
